PACKING LIST (what to bring)

Preparing to pack: lay out everything that you think you need, put back half, and then pack what's left. The bottom line: come prepared, but travel lightly. Your belongings (including your luggage) are stored in your cabin so we recommend using soft-sided luggage on wheels.

ggage Limit: 2 Checked bags 1 carry-on 1 personal item

| CLOTHING/ACCESSORIES | CARRY-ON ITEMS |
|--|--|
| □ 5-7 Reusable face masks | □ Passport |
